**Job Description**

The Department of Psychiatry at the University of Kentucky College of Medicine is seeking a residency-trained, board certified/board eligible Assistant Professor. The successful candidate must be committed to excellence in clinical care as well as teaching, administration, and professional development. Preferred experience includes previous experience in providing psychiatric services to children and adolescents, as well as experience in teaching medical students, residents, and other health professionals.

This position will be instrumental to providing ambulatory psychiatric services to children and adolescents. This position will primarily provide ambulatory psychiatric care and will participate in on-call coverage of our Behavioral Health Unit and related inpatient services. In addition, this position will provide clinical services for existing clinical contracts with psychiatric organizations across the State.

The Department of Psychiatry at the University of Kentucky College of Medicine strives to provide the highest level of patient care, innovative educational programs, active research in mental illness and

advocacy throughout the state of Kentucky and beyond. These pursuits have helped the department win the American College of Psychiatrists' Award for Creativity in Psychiatric Education not once, but twice.

Our Child and Adolescent Psychiatry and Behavioral Health programs offer an array of specialized pediatric programs, including the Child Diagnostic Clinical Service, Eating Disorders Clinical Service, and Functional Family Therapy. In addition to our inpatient behavioral health program, we offer outpatient services at our Fountain Court location in Lexington, KY. Our inpatient unit is the only facility in the Bluegrass region that has patient safety companions on the unit at all times.

Additionally, the UK Albert B. Chandler Hospital has consistently been ranked as the No. 1 hospital in the Bluegrass Region by U.S. News & World Report's Best Hospital rankings. We are honored to receive recognition in numerous clinical and support services as we continue to expand our efforts to meet our community's needs.

To be considered an applicant for the position, please submit a CV and cover letter along with application. Please also include the names and contact information for three references when prompted in the application. This information may be used to solicit reference letters within the employment system.

Applications will be reviewed immediately and will continue until the position is filled.
